

# *Presenting The Mobile DJ Company* **That Really Knows How To Party!**

## **Did The DJ At Your Last Dance...**

---

- Not play the music and requests that the students wanted to hear ?
- Not interact with the students ?
- Bring a little sound system that just didn't cut it ?
- Bring a light show that blinked off and on ?

*If You Answered Yes, May We Present Our Company - Mobile Mix Entertainment*

## **Our Company Will...**

---

- Play the hits, special remixes & dance classics that students want to hear.
- Play song requests & dedications on time.
- Interact with the students, not just stand there.
- Let students participate in interactive dances and games.
- Provide props, costumes and giveaways.
- Let students pre-request songs before the dance on our website.
- Create a "club style" atmosphere with computerized lighting & digital sound.

## **Finally A Real Entertainment Company**
