

**MobileMIX really was one of the BEST decisions I made during the entire wedding process.....**

David at mobileMIX Entertainment really listened to me and what my vision was for the reception. I wanted some of today's music but I also wanted music that my older family members would enjoy and dance to. He did it all!!!! To start the day he did our mics and ceremony music. He made what was a stressful situation into something that ran completely smoothly and I thanked my lucky stars he was there. In our reception not only did he DJ and MC but he did our lighting throughout the room and our monogram! (At our friend's wedding, he did a slideshow of the couple like I have never seen before!) It was beautiful and he treats each wedding as if it is his own, which really just put me at ease.

I have to say, he was worth every penny and I would book him again in a heartbeat!

**Your work of DJ'ing and lighting our wedding reception was absolutely unforgettable....**

We wanted to share with you our absolute appreciation and praise of your DJ and lighting services for our wedding. Your attention to detail during the planning process was impeccable and the music on our wedding night was a perfect 10. We couldn't be happier with you as our wedding DJ. When we look at our wedding pictures, we are so thrilled with the up-lighting you did at our reception at the Marriott. Thank you for making that service available to us, it was one of the best selections we made for our wedding day celebration. We have, and will continue to recommend you to everyone we know that is in search of DJ services. Thank you so much!

## Thank you for making our wedding go from "good time" to "great time" ....

Angela and I just wanted to thank you for such an amazing time at our wedding. There wasn't a single second that the dance floor wasn't completely packed with ages ranging from 9 to 79. Your selection of music)appealed to all ages and that's exactly what we wanted. You were extremely classy, personable and professional from the time we first spoke and throughout the entire process. You were extremely detailed and on top of

every aspect of the wedding. We could not have asked for anything more. We have been getting so many compliments from friends and family about you and how you made the night so fun and elegant. We were so glad we were able to book you,

everything was flawless and we credit you for that. You treated it like we were your only wedding of the summer with how much time and detail you put into our event.... even though you are booked up most of the summer. Thanks for making our wedding go from a good time to a great time. We will be forwarding your information to our friends when they start planning. Thanks again for all your hard work and professionalism, our night was such a great success and we owe it to you.

## The entire experience went above and beyond our expectations....

We booked MobileMIX Entertainment for our wedding on October 8, 2011 and we certainly were not disappointed. The entire experience went above and beyond our expectations. Dave was very involved in the entire process, meeting with us prior to the wedding in order to understand what we wanted from him. On the day of the wedding Dave was invaluable, he went far beyond the standard DJ responsibilities. Our wedding day was one that we will never forget, and Dave definitely played a big role in creating those memories.
